DR. KENT HATFIELD
HATFIELD FAMILY MEDICINE
3331 E BASELINE RD.
GILBERT, AZ 85234

DEAR MEMBERS OF THE HATFIELD OFFICE

I want to thank you very much for the care you gave my husband, Don. Your advice exceeded the usual areas of strict medical care. You brought in a Hospice group for his original needs and later, you responded to my additional call of help by calling in Mimi Medinger.

Mimi's "Elite Senior Services" was a godsend. I had no clue such a service existed. She is truly a professional... cutting through the maze of resident homes to select choices for me to select the perfect fit for Don's needs as well as our finances. She also brought in a different hospice...big difference! You can recommend her services to others with confidence that she will do a great job!

Sincerely,

Joan Hayden
